Home Health Agencies

Please note that the following listing is in alphabetical order by company name. It includes Home Health Care providers that are Medical (both Medicaid-Certified and Private Pay), as well as Non-Medical.

- **Medical:** These agencies provide a broad spectrum of medical services, which may include skilled nursing, rehabilitation therapies, and home health aides. Some agencies provide care management and some may also provide non-medical care services. All agencies accept private pay and may accept private or LTC Insurance.
- **Non-medical:** These home care agencies are licensed to provide services such as personal care, homemakers, companions, light housekeeping, meal preparation, transportation, and other forms of assistance. All agencies accept private or LTC insurance.
